Aluminum rail

2" wide VELCRO® Brand VELSTICK® Fastener

## 2" ALUMINUM RAIL

AVAILABLE IN 8 FT. LENGTHS.

CUSTOM LENGTHS AVAILABLE.

This extruded aluminum rail is fitted with 2" wide VELCRO® Brand VELSTICK® hook insert along the entire length. Designed for use in attaching mats of all types onto the wall. The vertical positioning of the mats has two important functions: first, as a padded wall buffer for protection, and as a useful space-saving storage method.
